itself in his demeanor to all around him.

DR. HUNTER Coxrexum to treat all private diseases, syphilis, all forms gonorrious, giest, stricture, &c., com-pletely enalicated. That numerous class of cases resulting from self-abuse, producing unmanliness, nervous debility, irritability, eruptions, seminal emissions, and finally impotency, per-manently cured. Persons afflicted with delicate, intricate, and long-standing constitutional com-plaints are politely invited to call for consultation. which costs nothing. Experience, the best of trachers, has enabled him to perfect remedies at once efficient, safe, permanent and which in most cases can be used without hindrance to business. Medicines prepared in the establish-ment, which embraces office, reception and waiting rooms, also boarding and sleeping apartments for patients requiring, daily per on-al attention, and vapor and chemical baths, thus concentrating the famed mineral springs. Both sexes, married or single, suffering from indiscretions, indulgencies, or exposure, may apply and be cured. No matter who have failed, state your case. Read what he says in his pamphlet, sent to any address free. Thousands of cases treated annually at office and all over the counjy17-1y.

THE EYE.

Of all the organs of sense, the eye is most requently the seat of disease, and yields most readily to judicious treatment. Atmospheric offuences are chief among the causes which produce disease of this organ, and, in the Valley of the Mississippi, the existence of malaria This wonderful vegetable contributes greatly to its frequency and intensity. Tracoms, or "granular lids" is the disease most common in the West and South .-This exceedingly painful disease, Dr. C. B. Nonnis of Memphis, Tenn., has treated successknown several instances where the parties were almost totally blind being effectually oured by the South who think themselves hopelessly blind, but who could be restored by judicious treatment, and all such, we would advise to onealt Da. C. B. Nongo, No. 233 Main Street
